

Zearn Student Access

Clever→ Zearn→ Math Library→ All Lessons

The screenshot shows a web browser window with the URL `zearn.org/student_home/math_library/all_lessons/39`. The browser's address bar and tabs are visible at the top. The main content area features a dark blue header with two tabs: "Bookmarked Lessons" and "All Lessons" (which is highlighted in purple). Below the header, the page is titled "All Lessons". A light blue bar indicates the current level is "GRADE 1" and the mission is "Mission 1: Add and Subtract Small Numbers". The page is organized into two sections: "Topic A" and "Topic B".

Topic A

- 1 Number Bonds ✓
- 2 Balloon Parts ✓
- 3 1 More ✓

Topic B

- 4 Balloon Parts 6
- 5 Make 7
- 6 Balloon Parts 8

On the left side of the interface, there is a sidebar with the Zearn logo, the user's name "Hi Collin", and the status "(No class) (+-1 more)". Below this, there are icons for a calendar, a home icon labeled "Next Up", a yellow arrow labeled "Math Library", and a "Badges" section. At the bottom of the sidebar is a "Back to Teacher" link.
