SDMC Defined Autonomy Meeting Notes
Tuesday, June 25, 2024
10:00-10:30

#SoaringtoNewHeights!

Meeting started 10:00am

- **10:00am-** Principal Nash started the meeting and started today's agenda item Defined Autonomy, starting with regrounding in our why. She asked if anyone knew the current rating at Wesley ES, Ms. Evans responded by saying "45, F". Ms. Nash confirmed her statement and explained how we can improve this rating as a campus. Nash explained that Wesley ES is a Level 1, NES Campus.
- **10:15am-** Principal Nash explained the difference between the levels (1-4), highlighting the major differences among the levels. Ms. Evans asked will Wesley ES still be a magnet school with little autonomy. Ms. Nash responded that STEM will be incorporated in electives as well as in the DYAD classes. She also stated that she will allow staff members to create opportunities (clubs) that will allow students the opportunity to participate. Ms. Scales stated "We already have Spike kits and materials support the stem learning of our scholars."
- **10:20am-** Principal Nash continued with the presentation.
- **10:25** Principal Nash wrapped up the presentation and asked if anyone had questions.
- **10:30am-** Meeting ended.
